Application Procedures:

When distance restrictions are not a factor, it takes 4-6 weeks for Police investigation, advertising and consideration. Proposed locations that are within 300 feet of the property line of a private residence or 600 feet from the property line of a public school, park, library, or church, will take a minimum of 12 weeks and as much as 16 weeks for Police investigation, advertising and consideration by the License Review Board and Board of Commissioners. No application will be considered without a copy of the certificate issued to the licensee evidencing attendance and completion of the County approved alcoholic beverage policy workshop. Upon receipt of the application, the Business License office will send the application to the Cobb County Police Permits Unit for investigation. No action can be taken in regard to the application until the Police investigation has been completed. The Police investigation usually takes 7 – 10 business days but can take up to 60 days. After receipt of the investigation report, the application will be advertised to give public notice of the application. The advertisement appears in the Marietta Daily Journal on two consecutive Fridays, and the proposed location will be posted with a notice (sign) for the two weeks during the time of advertisement. The Business License Division Manager will initially consider the application on the Thursday following the last advertisement date. This decision will not be performed in a hearing. This decision will be based solely on the application's compliance with the Official Code of Cobb County Georgia. The Business License Division Manager has no discretion in the decision regarding the license. **If the application is approved, the license fee must be paid within two weeks of the approval.** If the application is denied, the applicant will have ten days to appeal the decision to the License Review Board. Even when approved, any aggrieved party will have ten days for an opportunity to appeal the decision of the Business License Division Manager to the License Review Board. The appeal is filed through the Business License Office. When the applicant is in compliance with the Cobb County Code of Ordinances and there is an objection to the application, the application will be deferred to the License Review Board for a hearing. You will be notified of all hearing dates, times, and locations. The License Review Board routinely meets on the second and fourth Thursday of each month at 3:00 p.m. The appeal hearings are conducted in the Bid Room, which is on the second floor of the Purchasing Building located at 1772 County Services Parkway, Marietta, Georgia.

Pursuant to the decision of the Business License Manager and the appropriate filing of an appeal, the appeal hearing will be scheduled for the next available meeting date. However, appeals must be received by the Business License Office a minimum of two weeks in advance of a License Review Board Hearing. Decisions of the License Review Board may be appealed to the Board of Commissioners within thirty days of the decision of the License Review Board. The Board of Commissioners will affirm or may conduct a hearing and could overturn the decision made by the License Review Board regarding distance restrictions, whether approved or denied. Usually, when the License Review Board approves the application and there is no appeal, a non-hearing agenda item will be presented to the Board of Commissioners at a regular Board of Commissioners meeting within thirty days of the License Review Board decision. If the Board of Commissioners affirms the License Review Board decision, the alcoholic beverage license may be issued upon receipt of full payment for the license. If the Board of Commissioners does not affirm the License Review Board decision, a hearing will be scheduled within sixty days of the License Review Board decision. The alcoholic beverage license can not be issued until approved or affirmed by the Board of Commissioners.

If there are any questions regarding the alcoholic beverage application, please contact the Business License Division at 770-528-8410.

All hearings shall be before the license review board and shall be conducted in the manner provided in section 6-147(b). After the hearing if the license review board determines due cause exists, the license review board may suspend, revoke or place on probation for a maximum of 12 months, with or without conditions, the permit. In addition, after the hearing, the license review board may grant a work permit to an employee whose application was denied upon any conditions deemed appropriate by the board.
